NEWMARKET SAINTS JR. B LACROSSE CLUB

WERE LOOKING FOR VOLUNTEERS!

There's a new Game in Town

Yes, there's a new game in town being played by the Newmarket Saints Junior "B" Lacrosse Club. Newmarket has the Hurricanes in the winter and now the Saints in the summer.

The Saints began play at the Ray Twinney Complex in April of 2008. The team competes in the Ontario Lacrosse Association Junior "B" league which is comprised of 26 teams from across the Province. In our inaugural season, the Saints finished with a record of 14 and 6 and placed 2nd in the Mid East Division. Junior lacrosse is for young men aged 17 to 21 and will be the last stop for some of them before playing professionally in the National Lacrosse League. It's not only for the players of course; it's for their families, friends, school mates, fans and for the many young lacrosse players in our community that will one day want to play for the Newmarket Saints.

As a local organization, we are looking for volunteer support. This is an opportunity to get involved right from the beginning in what we think will be a success both on the floor and throughout the northern part of York Region. We need volunteers to assist with the various game day functions (ticket and merchandise sales, hospitality lounge, etc). The regular season is played during the months of May and June and includes 10 home games. As a volunteer, not only will you be helping out the team but you will get in free to all games and be provided with a Saints golf shirt. If you enjoy the game of lacrosse and have some free time available to assist us, please call or email me for more details as follows:
