

February, 2010

Dear Potential Partner:

On behalf of the Newmarket Junior "B" Saints Lacrosse organization we would first like to introduce you to our program; and secondly we would like to ask for your interest and support in our upcoming 2010 Lacrosse season.

Allow me the opportunity to introduce you to our team.

The Saints Junior "B" Lacrosse Team is the second Junior "B" sports organization in the Newmarket community, the only Junior "B" Lacrosse Team in our region.

The Newmarket Saints Junior "B" Lacrosse Team was re-located from Scarborough in time for the 2008 season, and over the last two seasons has amassed a record of 30 wins and 10 losses which ranks them in the elite class of the entire Ontario Junior "B" Lacrosse system.

We are extremely proud that well over 80% of our players and families live in the York region area. Lacrosse is one of the fastest growing sports not only in this Province but in this Country. We are proud to be associated with our established Newmarket Red Birds Minor system which comprises over 500 families and is growing with every passing year. Our vision for the Newmarket Saints is to provide a high level opportunity for our players to compete as a stepping stone for further development and scholarship opportunities. Our program is a platform for our minor system to continue to grow, and enjoy a wonderful sport at the highest level.

As part of the organization we are committed to operate a professional program that our entire community and region can be proud of. In order for this non-profit organization to continue to develop, flourish and provide these opportunities we are asking for your financial assistance in support of our program. For as little as \$100 your company and

organization can be associated with a program for young men in our community that we can all be proud of.

I have taken this opportunity to attach our sponsorship opportunity we would welcome the opportunity to discuss these further, in summary our sponsors and partners are displayed and promoted in the following ways:

- Sweater sponsorships on home and away jerseys
- Pop up banner displaying logos and company names at every home game
- Home and Away board banner displayed at all games
- Names and logos on our Saints website
- Thanks and congratulations announcements at home games by Saints announcer
- Game day hand outs, displaying our sponsors
- Annual Saints Programs
- Attached is a copy of our 2009 schedule to give you an idea of locations for away games

On behalf of the Saints organization I would like to thank you for your time and consideration of our program and we hope that you will find this interesting opportunity for your organization to participate in. Thanks for your attention and consideration.

Warmest Regards

Newmarket Junior "B" Lacrosse Team
