Attention:

Dear Saints Sponsor

Trust the winter has been good for you and your family, spring is right around the corner and the warm weather will soon be here.

We are sending you this note for two reasons. One is to thank you again for your kind support of our program last season, a quick recap.

The Newmarket Saints had another successful season, we finished with a winning record, 16 wins and 4 loses, we made the playoffs, winning the first round losing the second round to the league finalist.

Out of the entire league the Saints finished in 3rd place overall, our captain, finished second in scoring across the entire league in an exciting and very competitive season.

We are very proud that 12 of our players continue to play Lacrosse across Canada and United States on scholarships, including AJ Masson earning a division one scholarship to Vermont last year.

The second reason for this note is to again ask for your support for our Newmarket program, last year you were kind enough to make the Saints one of your committed sponsorship programs and we trust you will be able to support us once again.

We will be reaching out to you as a follow up.

Thanks again !
